Planning Essentials: Legal Documents Your Family Needs

Did you know, one (1) in six (6) Americans lives in a multigenerational household according to a recent study by the Pew Research Center? Families are balancing three major responsibilities: raising children, providing financial support, and assisting aging parents/relatives.

In this webinar, we will address the many different types of legal documents that can help you:

- Plan your future
- Protect your children
- Assist adult children with special needs, and
- Assist your aging relatives
