### Impossibly Delicious Produce

Impossibly Delicious Produce is a program that utilizes non-retail Grade A fruits and vegetables that have slight cosmetic imperfections. This produce is typically left un-harvested in the field or discarded but would be perfectly suitable for cooking. The IDP program allows Compass chefs to find a home for everything that is good and edible and save thousands of pounds per year from going to waste.

---

### Build Your Own Salad

Build your own using fresh, seasonal items or enjoy one of our composed salads. We are on a mission to use wholesome ingredients that are harvested in a socially responsible way for the well-being of our customers, team members, and the environment.

---
