For appetites "on the go", choose from a daily selection of pre-packaged salads, sandwiches and wraps as well as a variety of fresh, better-for-you snacks.

**Imperfectly Delicious Produce** is a program that utilizes non-retail Grade A fruits and vegetables that have slight cosmetic imperfections. This produce is typically left un-harvested in the field or discarded but it would be perfectly suitable for cooking. The IDP program allows Compass chefs to find a home for everything that is good and edible and save thousands of pounds per year from going to waste.
