weekday hours: 6:30am-2:30pm, Monday-Friday

**Impressively Delicious Produce** is a program that utilizes non-retail Grade A fruits and vegetables that have slight cosmetic imperfections. This produce is typically left un-harvested in the field or discarded but it would be perfectly suitable for cooking.

The IDP program allows Compass chefs to find a home for everything that is good and edible and save thousands of pounds per year from going to waste.
