Imperfectly Delicious Produce is a program that utilizes non 'retail' Grade A fruits and vegetables that have slight cosmetic imperfections. This produce is typically left un-harvested in the field or discarded but it would be perfectly suitable for cooking. The IDP program allows Compass chefs to find a home for everything that is good and edible and save thousands of pounds per year from going to waste.

Create is an exhibition-style culinary experience. Customize your meal while it’s created right in front of you! Our team embraces culinary diversity to prepare a variety of cuisines that highlight ethnicity, seasonality and creativity.
