

# Interacting And Working With People Who Are Deaf

This workshop provides insight into Deaf culture and provides tools that hearing and deaf co-workers can use to communicate effectively with each other.

March 29, 2012 • 11:00am to 12:30pm  
Lipsett Auditorium, Building 10

**Presented by Access Interpreting, this workshop will help hearing and deaf participants understand:**

- How to communicate more effectively in the workplace to avoid misunderstandings
- Differences between communication methodologies
- How cultural perspectives lead to differing expectations and perspectives
- How these differences can impact work environments

**DATS**

This workshop is brought to you by the Office of Research Services (ORS), Division of Amenities and Transportation Services (DATS), Office of Human Resources (OHR) and the National Institute on Deafness and Other Communication Disorders (NIDCD).

For reasonable accommodations please contact Moniqua Roberts at [Robertsml@od.nih.gov](mailto:Robertsml@od.nih.gov)

American Sign Language Interpreters will be provided.
