Form I-94 Automation

Background: The Form I-94 Arrival/Departure Record is a document used to record an individual's entry to and exit from the United States. Prior to May 2013, the form was issued as a paper document upon arrival to the U.S. Effective April 30, 2013, the paper form is no longer issued. The I-94 entry data is available to the traveler through the U.S. Customs and Border Protection (CBP) website. Some exceptions to I-94 automation apply, such as those entering the U.S. from land border crossings. All individuals, however, will continue to receive admission stamps in their passports to serve as evidence of lawful admission to the U.S.

WHAT DO I NEED TO DO ABOUT THE I-94 AFTER FUTURE INTERNATIONAL TRAVEL?

Always review the relevant DIS travel webpage ([J-1](#), [O-1](#), [H-1B](#)) BEFORE any international travel. After your return, send DIS the following for you and any family members:

- A copy of the new admission stamp from the passport
- A print-out of your electronic I-94 record.

Keep a copy for your records as you will need information from the electronic record to obtain a Social Security Number (SSN), apply for a driver's license, or any other situation where the I-94 information may be necessary.
