

# Division of Scientific Equipment & Instrumentation Services (DSEIS)

## **New NIH Policy effective July 2016**

### **Management of Ultra-Low Temperature (ULT) Freezers to Promote Energy Efficiency**

<http://oma-test.od.nih.gov/manualchapters/acquisitions/26101-16/index.html>

- All NIH Institutes and Centers (ICs) must purchase energy efficient ULT freezers.
- ICs should perform regular preventative maintenance on all NIH ULT freezers located within NIH facilities

### **Policy encourages all ICs to use DSEIS for**

- buying energy efficient ULT freezers
- maintaining ULT freezers
